ONCE a retreat of poets and artists, Samet Island is famous for its pure white silica sand and clear tropical waters that beckon modern travellers to take a break and relax.

This island destination is only 200 km from Bangkok and a short ferry

ride from the Rayong coastline at Ban Phe.

Dotted with beautiful beaches and bush trails, the island is a unique national park where you can enjoy unspoilt natural beauty and deluxe accommodation, side by side.

At the Vongduern Villa, suites provide an attractive interior decor. They are carpeted, air conditioned and have a TV and refrigerator.

For nature lovers there is also the option of more rustic accommodation in rooms and bungalows set in wooded hill where visitors can enjoy a fresh sea breeze.

Sports include a nine-hole mini golf course, snooker, petanque, windsurfing, fishing and snorkelling at a coral reef, just 50 metres off shore.

The beach, clean and uncluttered, is yours to enjoy throughout the sunny days, while in the evening you can dine on splendid seafood at our Cliffside Restaurant or enjoy a selection of dishes from our Thai, Chinese and European menus.

Vongduern Villa presents unrivalled service and holiday accommodation on an island considered unique for its natural beauty.

Visitors can travel by air-conditioned bus from Bangkok's Ekamai bus station to Ban Phe pier and connect with the hourly crossing on the resort's own boat service.
